To whom it may concern:

This letter is written on behalf of Mr. Steve Remmert. I have had the distinct pleasure of working with Mr. Remmert this past year on a project of church renovation.

As a designer and artisan, I found him to be most professional and adept at his craft. The church furnishings created for our parish are exquisite in both structure and design. Steve kept us well informed of his creations throughout the entire process and even took the time to personally deliver the furnishings himself.

Both Steve and his work far exceeded the expectations of all here who worked with him. He was a delight to work with and we look forward to working with him on any future projects or needs as they arise. I believe no one else could have served us so well.

Respectfully,

Rev. Michael J. Solazzo

Pastor
